

WEEK ONE

Read Acts 1:8

DAY 1

You don't have to have some special knowledge or be a great speaker to be a witness for God. A witness is simply a person who saw or experienced an event. So all you have to do is share what you've seen God do in YOUR life.

Pretend you've been asked to write a firsthand report about a time that you saw God do something cool in your life. Maybe it was an answered prayer, or maybe it's just the way you feel Him with you when you're scared or sad. Give it a try! Write a quick "news story" below.

252 DAILY NEWS

BREAKING NEWS: A WITNESS COMES FORWARD _____

Now you've got an easy way to start a conversation with a friend about God—share this story!

THANK God for doing something in your life worth sharing!

Read Isaiah 41:10

DAY 2

Is there someone in your life who could use some encouragement?

Write that person's name here: _____

You could tell them you're praying for them—and actually do that, of course! Or you could share a Bible verse or a story about how God helped you in a similar situation.

It might be scary to think about being so bold, so pray and ask God to help you. Ask Him to give you the right words to say. Then ask someone to write "Isaiah 41:10" on your right hand (or write it yourself if you're left handed!) to remind you that God is going with you as you are brave to share His truth with your friend.

ASK God to give you courage to stick with it and share His truth.

WEEK ONE

Read EXODUS 4:10–12

DAY 3

Have you ever had a plan to say or do something, but then the moment came, and you lost your nerve and didn't do it? Having a plan is one thing, but sticking to it is another! The good news is, just like God gave Moses the ability and strength to carry out the plan God gave him, God can help you too!

Grab a couple markers. Make a fist and draw a face puppet on your pointer finger and your thumb. Use this "face" to act out what you would say if someone asked you why you believe in God, or why you follow Jesus. Keep practicing what you would do if someone asked you about Jesus, but remember God will help give you the perfect words to say.

LOOK to God for the strength you need to stick with it!

Read colossians 4:3–6

DAY 4

Go the kitchen and grab a salt shaker. Pour just a bit out in your hand. Take a look at the different grains. Each one is so tiny, yet they are powerful enough to season your food. Circle the things below that you think you can use salt to do.

Cleaning ovens
Cleaning coffee pots
Keeping milk fresh

Improving coffee
Boiling water
Preventing cheese mold

Putting out grease fires
Crisping salads
Peeling eggs

If you circled everything, you're right! That's right, salt can be used for so many things. But, let's be honest, what do we think about when we think about salt? How it tastes, right? It can taste good, and it brings the best flavors out of our food—making it the best version it can be.

If we are going to share the good news about God's love for us and how He sent Jesus to save us, we need to be the best version of ourselves we can possibly be! When we treat each other the way we want to be treated, we shine God's light for others to see. Ask God to bring out the best in you, so that when you share with others about Him, they will listen.

KNOW that God can help you stick with it—ask Him to bring out the best in you.
